The Ark-La-Tex Genealogical Association, Inc. is a non-profit, non-sectarian,  
non-political, educational organization, dedicated solely to the cause of  
Genealogical work, which includes the following purposes:

To collect, preserve and make available genealogical materials, documents  
and records. To encourage an interest in Genealogy and to sponsor educational  
programs for its development.

To promote and publicize the City of Shreveport, Louisiana as a major Gene-  
alogical Research Center for genealogists and historians interested in  
records of the entire State of Louisiana and the Ark-La-Tex area. To co-  
operate with and assist all other genealogical, historical and patriotic soci-  
etys and libraries in the furtherance of these purposes for the mutual  
benefit of all.

To compile and publish a regular quarterly Genealogical magazine, THE GENIE,  
and to publish large collections of specific data of the Ark-La-Tex area.

THE GENIE INVITES EXCHANGE OF PERIODICALS WITH OTHER GENEALOGICAL ASSOCIATIONS.

ADVERTISING EXCHANGE: The Genie also invites exchange of advertising space  
with other periodicals and with publishers and authors in exchange for copies  
of their books. Book reviews and ads are published on all books received  
and these books are placed in the Genealogy Room of Shreve Memorial Library.

All material published in The Genie is contributed by members of this Asso-  
ciation and the Ark-La-Tex Genealogical Association is not responsible for  
any errors contained in the contributed material.

PRESIDENT'S MESSAGE

The transition from a publication's Editor to a publication's committee, with a co-ordinating chairman seems to be going smoothly. Those, who in the past served so faithfully with Mrs. Tipton continue to assist Pete Nance - see page two for complete list of his staff. Some have supplied material, some typing but all have worked. Our entire organization owes this group of workers a great vot of thanks,

If we continue to publish THE GENIE, not only must we have workers, but alo, we must have material submitted for publication. I would like to make an especial appeal to our out-of State members to submit some of their personal data or research notes which could be of interest to our other readers. That you distant members subscribe to THE GENIE indicates that you have family roots in this area; thus you must have material in your possession that would aid many people who still reside here. You never know what "lanniappe" you may derive by sharing,

Let me wish all our members and all others, who have occasin to read our Genie, a most Pleasant and Prosperous New Year,

Sincerely,

Dr. T. V. Holmes, Jr.  
President

It is the intent of your new Publication Committee to publish more data that would be beneficial in assisting our membership in finding long sought after ancestors.

In as much as most, if not all, of our members have ancestral roots in Virginia, North Carolina, South Carolina, Alabama, Tennessee, Georgia and Mississippi of Pre-Civil War, Pre-Revolutionary War and Colonial American vintage, we think it necessary to devote a portion of future issues to those areas.

Doubtless many members of the Ark-La-Tex Association hold such older records, such as wills, marriage bonds, estate sales, deeds, Bible Records, Land Grants and old church rolls, that not only locate and identify their particular family members, but quite often identify many others of a different surname.

Examples: WILLS - often identify husbands of married daughters, friends and neighbors.

ESTATE SALES - often identify ten or more other surnames that attended the sale.

DEEDS & GRANTS - often identify property lines of grantee's neighbors.

OLD FAMILY BIBLES - often identify several generations, as well as the spouses of sons and daughters.

MARRIAGE BONDS - not only identify the principals but security witnesses, Pastor or Justice of the Peace and in some cases father of the bride or groom or both,

You hold such records: Won't you share them with your fellow members for publication in the future issues of THE GENIE ?

Wishing each of you a most prosperous, Healthy 1974 and may this be the year that you find that long lost ancestor.

Sincerely yours,

"Pete" Nance, Chairman of the  
Publication Committee

REPORT OF MICROFILM COMMITTEE

E. M. Tipton, Chairman

In September 1972, a special meeting of our Board of Directors, other members and interested parties was held to discuss the acquisition of microfilm copies of Louisiana Clerk of Court records needed to complete the collection for the Genealogy Department of Shreve Memorial Library. At this time, 3,196 rolls of film from 35 parishes had been obtained as donor copies through an agreement with the Genealogical Society of The Church of Jesus Christ of The Latter Day Saints. Records of the remaining 24 parishes formed before 1900 could be purchased at a special price, but a large amount of money was needed.

We launched our campaign with \$161.00 in the Louise Barnett Memorial Fund. \$250.00 was given from the acquisition fund of the Genealogy Department of Shreve Memorial Library. Mrs. Margery Wright, Board Member and Genealogy Librarian volunteered to contact local patriotic societies and other organizations for contributions. Different members made contributions.

In May 1973, we received 318 rolls of microfilm from 11 Louisiana Parishes, the records from three of these being donor copies. In December 1973, we received 459 rolls of film from 6 parishes, to complete all film available to us at this time. This total 777 rolls of microfilm from 17 parishes received in 1973 will be delivered to the library as soon as it is checked and labelled by our members who volunteer for this work.

This gives the Genealogy Department of Shreve Memorial Library the largest collection of Louisiana Clerk of Court Records of any library in the state of Louisiana. There is a total of 3,973 rolls of microfilm from 52 parishes valued at around \$36,000.00 as per current price lists, all contributed to this library through the efforts of this association.

If we sound as if we are boasting, you can be very sure that we are. We are very proud of what we have done for our Library, with the help of many others interested in genealogical and historical records of Louisiana.

Records from seven Louisiana Parishes are not available to us at this time. Permission to purchase the film from three parishes must be obtained from these Clerks of Court and records of four parishes have not yet been microfilmed. We do not know the total number of rolls or total cost for records of these seven parishes.

The Louise Barnett Memorial Fund will remain open for contributions to complete the last phase of our project as soon as the microfilm becomes available. Together, we have completed a two-year project in less than one year. The rest should be easy, but we will need your continued support if we are to finish the work in 1974. Together, we can make the Genealogy Department of Shreve Memorial Library, the first in the State to have the complete collection of all Louisiana Clerk of Court Records.

\* \* \* \* \*

The above report is a factual account of the committee on the microfilm project. However, we would like to add our comment to it. This was an enormous project for an organization with no more resources than we have and the credit for its success is due to the Chairman. He has devoted much time and energy to steering this through to completion. He has really worked and now is in a position to say "Mission Accomplished". Our many thanks and appreciation to him for his untiring efforts.

Thank you, Mr. Tipton.

## REVIEW OF PROGRAMS

OCTOBER, 1973- Mr. Don Weigel "History of Shreveport". Mr. Weigel, now retired from his position as Personnel Director for the City of Shreveport is a native of Ohio where he was in the educational field. Since his arrival in Shreveport some fifteen years ago, he has become extremely interested in the history of his adopted city. He has now accumulated the largest collection of old documents, photographs, relics, etc. concerning our city's past history that has ever been assembled by any persons or group. We consider Mr. Weigel to be the authority on the history of our city and are most grateful to have such a man of his ability in our city.

NOVEMBER, 1973 - Mrs. Don Danvers, Mathematics Department of Centenary College, brought us a program on "Slides of County Courthouses". Mr. Danvers has adopted the unique hobby of photographing exteriors of county courthouses. His collection is now in excess of 500 colored slides including all counties of Texas, Louisiana, Tennessee, Kentucky and partial counties of Arkansas and some other states.

This program consisted of only those of North Louisiana, South Arkansas, East and Central Texas. This program was well received and Mr. Danvers has agreed to return for our January 1974 meeting at which time he will share more of his collection with our organization.

DECEMBER, 1973 - Mr. Alan Thompson, Associate Professor of History, LSU - Shreveport. His subject was "History of Southern Alabama" particularly the Mobile area. Mr. Thompson, is at present, working towards his Doctorate at the University of Alabama and has chosen this subject for his final paper. We wish Mr. Thompson the best success in obtaining his PhD and congratulate him for the fine genealogical and historical report he presented to us.

## FUTURE PROGRAMS

January 12, 1974 - Mr. Don Danvers has consented to return with a slide presentation of County Courthouses and will use his collection from Tenn. and Kentucky. Those of us present at the November meeting are looking forward to this program and urge our entire membership to be on hand to view many of the old Courthouses, where your ancestors once trod.

February 9, 1974 - Mr. Jim Miller, History Department, LSU Shreveport will present a program on "Louisiana History". Mr. Miller has the reputation among the LSU faculty as an authority on this subject and we should be grateful to have such a speaker in our community. Let's show our sincere appreciation by being in attendance, and advance our knowledge of facts concerning history of our State. Mr. Miller was scheduled for our Dec. 1973 program but had to cancel and arranged for Mr. Alan Thompson's presentation of Southern Alabama.

March 9, 1974 - Mr. Mike Beckman. His subject "Throwing Sticks to Gunpowder". A very unique subject, and advance information indicates a great program. Mr. Beckman is an independent Geologist whose hobby has been digging into many Indian Mounds of the Ark-La-Tex area. This has resulted in a wealth of knowledge unknown to most present day citizens of our area. This program begins with pre-historic man of Ark-La-Tex, down to the coming of the first white settlers. If you are interested in a complete history for the past ten thousand years - be sure to hear Mike Beckman.

Guest speakers are obtained for your pleasure, entertainment and information. Poor attendance indicates a lack of interest. Are you interested in your organization's future? If you are, then we will see you at the programs.

Pete Nance, Program Chairman

HELP WANTED

The Association is badly in need of volunteers to help read and label the hundreds of rolls of microfilm that we have received. We need to get them to the Library as soon as possible.

If you can spare only an hour or two, it would be a big help with this task. Christmas will soon be over, so begin the New Year by helping your Association.

Please call Mr. or Mrs. Tipton and offer your services, Tel 423-6983

#### STATE LIBRARY HOURS EXTENDED

Austin, Texas, October 6, 1973-The Texas State Library will be open Saturday from 8 a m to 5 p m beginning October 13. Dr. Dorman H. Winfrey, director and librarian of the facility and Homer A. Foerster, executive director of the State Board of Control announced Friday.

The library's hours were extended to include Saturdays as a result of citizen requests. In order to open extra hours, the Texas State Library has decreased energy consumption to avoid using more than its share of the energy available to state government.

Staffing in Archives and Reference will be at a reduced level due to insufficient funding, initially.

In late December or early January the State Library is to acquire additional space to house its collections and at that time all genealogical resources will be available in one location.

"This notice was sent to THE GENIE, by  
Mrs. P B Price of Austin, Texas."

### WILLIAMS

John W. Williams was born about 1843/4 in Louisiana or Mississippi. He lived in Sabine Parish, Louisiana in 1860.  
He had a brother Jesse A. born about 1838 in Mississippi.  
Another brother Tom born about 1823/4 in Mississippi and lived in Sabine Parish, La. in 1860.  
What became of these brothers ?? Who did they marry?? Where are their descendants? I would appreciate any help-

NOTICE

1900 CENSUS IF OPENED TO GENEALOGIST-NATIONAL ARCHIVES PERMITS SEARCHES

From the Tri-State Trader, Dec 15, 1973: Submitted by-Mr. Wm. M. Redditt

The 1900 census is now open for search by genealogist, historians and biographers.

The Tri-State Trader was notified at once by Meyer H. Fishbein, director of Records Appraisal Staff, National Archives and Records Service, Washington, D C, that on Monday, Dec. 3, 1973, the Archives opened the files under certain restrictions.

A genealogist must sign a statement before using the 1900 census that he is doing research on his family genealogy or on behalf of someone else doing such research and he must agree not to invade the privacy of anyone on the census schedules or use the information in any way that would harm someone therein.

At the present time, the census schedules are all at the National Archives in Washington, and also the soundex index to the 1900 census is there and is likewise open to the same searchers mentioned above.

At the present time, no microfilms are available to National Archives branches and under the present rules, microfilms are not available to state or other genealogical libraries.

Mr. Fishbein said that the National Archives would probably be receptive to consider requests for allowing microfilms of the soundex index to be bought by state and other libraries, and that such letters suggesting such a change in rules should be sent to:
