FROM THE PRESIDENT

A hearty WELCOME to 1984, which has the potential of being one of our best years. I hope all of you enjoyed the white, frozen winter. For us in the south it was unusually cold, and we had enough snow staying on the ground long enough to really enjoy all the antics of the north.

We are nearing our 30th year anniversary and I marvel at the growth we have experienced since that day in 1955 when the first organizational meeting was held. From a small nook in the old library to the whole third floor (well not quite) in the new building. We have reason to be proud of this accomplishment because we feel we as an organization contributed heavily to make that growth and accomplishment. I am very excited when I think about those goals we set and accomplished.

I am just as excited about the coming year and the plans we have made. One of the most important events schedules is a BOOK FAIR to be held September 22. This should prove very helpful to all genealogists within the area, because many publishers, writers as well as others will be attending. The ANCESTOR CHARTS should be published by then, as well as other publications which are being typed for publication.

Our treasurer, Joyce Denton, had an accident last year and felt she could not continue, which we regret. Mary Frances Bridges has consented to serve the balance of Joyce's term, and we are grateful for her. People (most of them) are wonderful and can be depended on to close ranks when things of this nature happen. A great thanks both to Joyce and Mary Frances.

We also have a new First Vice President, Margery Wright who was the first editor of THE GENIE, as well as the Genealogical Librarian at Shreve Memorial Library for many years. She is completing the term of Ruth Lindsey who has been ill almost the whole of last year, and is still not well. We are sorry for her illness.

Our two new Trustees are Lou Martin and Paul Reinowski and we look forward to your participation and help. Paul does almost all the printing of THE GENIE and we appreciate this.

We appreciate all of you as members of this organization - for the records you send, your time, your cooperation, your loyalty, your good suggestions and your confidence.

We need QUERIES, BIBLE, CEMETERY and other records, and we need people to volunteer to copy court house records. We could very easily utilize another typist. The list is long.

Fern's suggestions for the year: Catch up on correspondence; Organize your materials; Review your notes; Read the periodicals and books at the library; Learn to use a computer and VOLUNTEER to help with THE GENIE.

We wish you a happy, healthy and prosperous New Year with the reminder that it will probably be what you make it.

Fern

EDITOR'S PAGE

I would like to take this opportunity to thank those who have been so gracious in giving of their time and talents. Each of you know who are. Without your help it would be impossible to even think of getting THE GENIE out.

I apologize for THE GENIE getting out late, but we believe we now have the printer working properly and the next issue should be on time. Thank you for your indulgence and patience.

We are selling the old issues of THE GENIE for \$5.00 per year (4 issues). We have all four issues for the following years: 1971, 1973, 1974, 1975, 1979, 1981, 1982, 1983. We will have a complete list of the inventory in the April issue. These will be sold on a first come, first serve basis but if we do not have an issue for a year you wish to purchase and the missing issue has an article you need we will try to copy that article for you as time permits.

Please send any genealogical information you wish to share, and we will publish as time and space permit.

We need each of you to share your Bible Records, Wills, Pension Records and etc. so that THE GENIE will be our GENIE.

If you have any compliments you wish to share, please feel free to do. I will graciously accept your criticism provided you are willing to give of your time to help with THE GENIE.

Mary Day

NOTICES

The ARK-LA-TEX GENEALOGICAL ASSOCIATION has started a program whereby we will allow advertising in THE GENIE at the rate of \$50.00 per page for a one time ad. Half page will be \$25.00, one fourth page will be \$12.50, and one eighth page will be \$6.50. If the ad runs for a full year (four issues) there will be a 20% discount. We hope this will implement our income enough so we will not have to raise our dues.

We are planning a BOOK FAIR to be held 22 ^{Spl} June 1984 and which will surely be a great opportunity for genealogists, and others also to see the different publications, to browse and/or buy. This is a first for this area, and we hope everyone will attend. We are expecting many publishers, authors, and book sellers to come and bring many of their books. Let's make this an annual affair and learn what people are publishing that will help us individually and the organization also.

April 1 will be the cut off date for submitting Family Ancestral (Pedigree) Charts. We will publish at least one - perhaps two volumes, depending on the number received. Please get them to us!!!!

Be sure to send your Surnames in as soon as possible. Be sure to include dates and places.

The program scheduled for June 9 will be all day and will be conducted by the Louisiana State Archives. They will teach us how to restore and preserve old documents, wills, deeds, naturalization papers, maps, and pictures. Because the materials used are so expensive, and the Archives operates on such a tight budget, each person will have to pay for their own materials. The Archives will buy the materials because they can get them at a lower price than we can. The cost will be \$5.00. We encourage you to come because this will really be a learning project. Please send your \$5.00 right away so we will know how much supplies to order.

CESSION OF LAND BY GEORGIA TO THE UNITED STATES - 1802

In pursuance of the act entitled "An act supplemental to the act, entitled An act for an amicable settlement of the limits with the State of Georgia, and authorizing the establishment of a Government in the Mississippi territory," James Madison, Secretary of State, Albert Gallatin, Secretary of the Treasury, and Levi Lincoln, Attorney General of the United States, were appointed commissioners to settle, by compromise, with the commissioners appointed by the State of Georgia, the claims and cession to which the said act has relation.

Articles of agreement and cession have accordingly been entered into, and signed by the said commissioners of the United States and Georgia; which, as they leave a right to Congress to act upon them legislatively at any time within six months after their date, I have thought it my duty immediately to communicate to the Legislature.

TH. JEFFERSON

April 26, 1802

City of Washington, April 26, 1802

Sir: We have the honor to enclose a copy of an agreement entered into between the commissioners of the United States and those of Georgia, in pursuance of the act entitled "An act supplemental to the act, entitled An act for an amicable settlement of limits with the State of Georgia, and authorizing the establishment of a Government in the Mississippi territory."

The nature and importance of the transaction have induced the insertion of a clause which renders it necessary that the subject should be communicated to Congress during their present session.

We have the honor to be, very respectfully, sir your obedient servants,

JAMES MADISON
ALBERT GALLATIN
LEVI LINCOLN

ARTICLE I. The State of Georgia cedes to the United States all the right, title, and claim, which the said State has to the jurisdiction and soil of the lands situated within the boundaries of the United States, south of the State of Tennessee, and west of a line, beginning on the western bank of the Chattahoochee river, where the same crosses the boundary line between the United States and Spain; running thence up the said River Chattahoochee, and long the western bank thereof, to the great bend thereof, next above the place where a certain creek or river, called "Uchee," (being the first considerable stream on the western side, above the Cussetas and Coweta towns,) empties into the said Chattahoochee river; thence, in a direct line, to Nickajack, on the Tennessee river; then crossing the said last mentioned river; and thence, running up the said Tennessee river, and along the western bank thereof, to the southern boundary line of the State of Tennessee; upon the following express conditions, and subject thereto; that is to say:

First, That out of the first net proceeds of the sales of the lands thus ceded, which net proceeds shall be estimated by deducting from the

CESSION OF LAND BY GEORGIA, cont.

gross amount of sales, the expenses incurred in surveying, and incident to the sale, the United States shall pay, at their Treasury, one million two hundred and fifty thousand dollars to the State of Georgia, as a consideration for the expenses incurred by the said State, in relation to the said territory; and that, for the better securing as prompt a payment of the said sum as is practicable, a land office, for the disposition of the vacant lands thus ceded, to which the Indian title has been, or may hereafter be extinguished, shall be opened within a twelvemonth after the assent of the State of Georgia to this agreement, as hereafter stated, shall have been declared.

Secondly, That all persons who, on the twenty-seventh day of October one thousand seven hundred and ninety-five, were actual settlers within the territory thus ceded, shall be confirmed in all the grants legally and fully executed prior to that day, by the former British Government of West Florida, or by the Government of Spain, and in the claims which may be derived from any actual survey or settlement made under the act of the State of Georgia, entitled "An act for laying out a district of land, situate on the River Mississippi, and within the bounds of this State, into a county, to be called Bourbon," passed the seventh day of February, one thousand seven hundred and eighty-five.

Thirdly, That all the lands ceded by this agreement to the United States shall, after satisfying the above-mentioned payment of one million two hundred and fifty thousand dollars to the State of Georgia, and the grants recognized by the preceding condition, be considered as a common fund, for the use and benefit of the United States, Georgia included, and shall be faithfully disposed of for that purpose, and for no other use or purpose whatever: provided, however, that the United States, for the period, and until the end of one year after the assent of Georgia to the boundary established by this agreement shall have been declared, may, in such manner as not to interfere with the above mentioned payment to the State of Georgia, nor with the grants hereinbefore recognized, dispose of or appropriate a proportion of the said lands, not exceeding five millions of acres, or the proceeds of the said five million of acres, or of any part thereof, for the purpose of satisfying, quieting, or compensating, for any claims other than those hereinbefore recognized, which may be made to the said lands, or to any part thereof. It being fully understood, that if an act of Congress making such disposition or appropriation shall not be passed into a law within the above mentioned period of one year, the United States shall not be at liberty thereafter to cede any part of the said lands on account of claims which may be laid to the same, other than those recognized by the preceding condition, nor to compensate for the same; and in case of any such cession or compensation, the present cession of Georgia to the right of soil over the lands thus ceded or compensated for shall be considered as null and void, and the lands thus ceded or compensated for shall revert to the State of Georgia.

Fourthly, That the United States, shall, at their own expense, extinguish, for the use of Georgia, as early as the same can be peaceably obtained, on reasonable terms, the Indian title to the country of Talassee, to the lands left out by the line drawn with the Creeks, in

CESSION OF LAND BY GEORGIA, cont.

the year one thousand seven hundred and ninety-eight , which had been previously granted by the State of Georgia, both which tracts had formally been yielded by the Indians; and to the lands within the forks of the Oconee and Ocmulgee rivers; for which several objects the President of the United States has directed that a treaty should be immediately held with the Creeks; and that the United States shall, in the same manner, also extinguish the Indian title to all the other lands within the State of Georgia.

Fifthly, That the territory thus ceded shall form a State, and be admitted as such into the Union, as soon as it shall contain sixty thousand free inhabitants, or at an earlier period, if Congress shall think it expedient, on the same conditions and restrictions, with the same privileges, and in the same manner, as is provided in the ordinance of Congress of the thirteenth day of July, one thousand seven hundred and eighty-seven, for the government of the Western Territory of the United States; which ordinance shall, in all its parts, extend to the territory contained in the present act of cession, that article only excepted which forbids slavery.

ART. II. The United States accept the cession above mentioned, and on the conditions therein expressed; and they cede to the State of Georgia whatever claim, right, or title, they may have to the jurisdiction or soil of any lands lying within the United States, and out of the proper boundaries of any other State, and situated south of the southern boundaries of the States of Tennessee, North Carolina, and South Carolina, and east of the boundary line hereinabove described, as the eastern boundary of the territory ceded by Georgia to the United States.

ART. III. The present act of cession and agreement shall be in full force as soon as the Legislature of Georgia shall have given its assent to the boundaries of this cession; provided, that the said assent shall be given within six months after the date of these presents; and provided that Congress shall not, during the same period of six months, repeal so much of any former law as authorizes this agreement, and renders it binding and conclusive on the United States: but if either the assent of Georgia shall not be thus given, or if the law of the United States shall be thus repealed, within the said period of six months, then, and in either case, these presents shall become null and void.

In faith whereof the respective commissioners have signed these presents, and affixed hereunto their seals. Done at the city of Washington, in the District of Columbia, this twenty-fourth day of April, one thousand eight hundred and two.

CESSION OF LAND BY GEORGIA, cont.

Witnesses:

J. FRANKLIN, Senator of the U. States for
for North Carolina.

SAMUEL A. OTIS, Secretary of the Senate
of the United States.

JOHN BECKLEY, Clerk of the House of Representatives
of the United States.

This is the first of a series of articles relating to land acquired by the United States after the Revolutionary War. Some of the colonies claimed much larger areas than had been colonized or that was included in their original grant, borders were disputed and the boundaries were often quite vague. Many had bought land from the Indians, sometimes illegally, and the problems were numerous. To solve the problem different colonies ceded to the United States the area/s in dispute. Some of them reserved certain areas for their veterans of the wars with some reserving the right to allocate that land themselves, and others assigning the right to the United States.

There are many records dealing with this process housed in the National Archives as well as various State Land Offices. Many sources will be used, and we hope they will prove helpful as well as interesting.

The data in this article will be found in American State Papers Volume !!. DG

COPY OF LETTER WRITTEN BY THOMAS B. FLOYD TO:
NEPHEW JOHN W. FLOYD AND MOTHER

GEORGIA, Troup County
June 15, 1855

Dear Nephew and sister, for such I shall call you. Sister Sarah received a letter from North Carolina bearing some intelligence of our deceased Brother Dolphin FLOYD. How they got the information of you and your whereabouts I cannot tell unless through the politeness of Mr. Davis BUNTING. If it be the Bunting I knew in North Carolina he is a man of 40 or 45 years of age. If it be the man I think he is he is well acquainted with me and the rest of the family. I have written two letters since 1830 to my Brother. One addressed to Orleans that was before the annexation of Texas to the States. Some time in '35 I wrote one and addressed it of Nachadoes but never received no answer and give up all hope of ever hearing from him again but always inquiring. I have given the name of my Brother to many travelers but never could I get any information. I saw in some gazet of the United States but do not recollect what one, the names of those massacred in Texas, and my brother was one. The dates of the secdure that contained the names of the slayn I do not recollect. I very well recollect the name of my Brother and David CROCKET. My Mother received one letter after he went to Texas, stating that he married a Widow JONES. He also wrote that he used to tell us while joking and talking about marrying that he intended marrying some old rich widow that she might die directly and then he would be independent. Though he married as he always had said a widow and that she was not very old nor very rich. So we have never heard anything about him until now. Therefore I take this privilege of writing to you both, requesting you to write to me as soon as these lines of my best love and respect reaches you and particular on the

COPY OF LETTER WRITTEN BY THOMAS B. FLOYD (cont'd.)

account of my poor old Mother, for since she has heard about him since, she is very desirous to hear more. She is 86 and lives within 1/4 mile of me, with my Brother and Sister Sarah, both single. So far as Respects the comforts of this life in fact, we that are here in Georgia are all getting along well. Brother John is very rich. I have plenty myself and for my children to do well on. Now there is one or two things I do wish to know, First I wish to know how you are situated and what your condition is relative to living and making out in life. Secondly, what it was when you married my Brother. Thirdly, what was his condition was when he married you, forthly What was his reputation whether good or bad. I wish to know whether he stood fair in the world as respects truth and veracity and what was his general deportment? You may think I am too scrupous and wish to know too much my dear nephew and sister. This is a great request too much you may think to be revealed but nothing less than the revelation will satisfy me. Now my reasons to know them is this to see if a person once pure as vain Mortal can become adulterated by leaving his country and family circle. When he left North Carolina November 22, 1825 and took the last shake of the hand from his poor old Mother and his Brothers and Sisters with the exception of the Sin Stain was not to be found on him. He indulged in no bad practices save that of the folly of youth. He drank no ardent Spirits, chewed no tobacco, nor used signs when he left us. He made no pretensions to religion of any sort. He was always lively and very fond of company and had all the good will of all who knew and was much beliked. He was very industrious though subject to waist as we all thought. Now I wish to know more things. I want to know whether he was a good husband and kind Father, a good Master and Neighbor, whether he was charitable,

COPY OF LETTER WRITTEN BY THOMAS B. FLOYD (cont'd.)

Benevolent so far as in power. Now, I wish to know something relative to your Birth, Where you were born and of what nation. We understand you have married since my Brother got killed to a Mr. CLARK. We do not blame you for that as it is reasonable to suppose that everybody tries to do the best they can. I want to know how John is getting along. It would do me good to hear he was doing well. We understand you had a daughter by my Brother and she married and since died, and her name was Elizabeth. We have two samples of hair said to be John's and Elizabeth's.

Now, Dear Sister and Nephew these requests you may think to be exaggerations and speculative. But they are the pure desires of my heart and no speculation design in them no further than to know the truth. Now it you want to know my brother's age, he was born in 1804, March 6th A.D.. The times in Georgia are hard money. Provisions of all kind are scarce. Corn, \$5.00 pr., Bacon 12 1/2¢ per lb., Wheat has been \$2.00 per Bush. Wheat crops are good. Other growing crops look promising.

I am older than Dolphin. I was born Feb. 27th, 1802. When he left North Carolina we were both one weight say 125 lbs. Though at this time I way 190 pounds. I am corpulent and clumsey and feel my age much. The rest of our family is all well. Small Brother Penuel will weigh not more than 120 and is about 45 years of age. I have 6 living children, 4 sons and two daughters. One is dead, my oldest son. There names as follows:

1. Dewitt Clinton, Eldest son, dead
2. John Curtis Elliott
3. Henry Drew
4. Thomas Penuel
5. James Dolphin

COPY OF LETTER WRITTEN BY THOMAS B. FLOYD (cont'd.)

6. Rebecca Ann Priscilla

7. Martha Elizabeth Savannah

Their Mother's name was Martha Daniel HUNTER. She died Oct. 14th 1840. Born Dec. 16th 1807. I married my present wife Feb. 11th 1841. Her name was Ann SHARP, never had but one child stilled born.

If these lines ever reach you they leave all your connections in this county well. May they find you enjoying the same blessing is my prayer. So I subscribe myself your affectionate Brother and Uncle until death.
So fare well,

Thomas Beckwith Floyd

(This letter transcribed above is in the possession of Rufus L. Floyd, Jourdanton, Texas, or Gonzales, Texas.)

The above letter was written to the widow of DOLPHIN FLOYD who was killed at the Alamo. He was the son of PENUEL FLOYD and SARAH BECKWITH who lived in Nash County, North Carolina. PENUEL FLOYD died in 1815 in Nash County and in 1830's most of the family moved to Georgia. Some of the family moved into Upshur County, Texas and reared families there. DOLPHIN was the first to leave North Carolina for Georgia, but left for Texas soon afterward, and lost his life at the ALAMO.

Records show that prior to 1667, the name was spelled Albrighton. Francis Albrighton, believed to be Scotch, married an Irish girl and emigrated with his family to Virginia about 1650. From correspondence relative to the SELF Family there are
some dates and places which disagree with records. This
is why it is always adviseable to check original sources
if you are doing research. Since I have never done research
on the SELF Family I do not check data, but if I were
doing research I would verify all dates, places, etc.

ALABAMA RECORDS:

The following is an interesting excerpt from a lady con-
ducting research on this family:

"Catherine SELF, born ca 1790 Alabama we think (I think
she was born in Tenn. F.A.) married (1) Perry TUNNELL,
Methodist Minister in Greene Co., Tenn. in 1807, married
(2) Robert LITTLE in Jefferson Co., Ala. 1839. In Smith
Co., Texas 1850 living with her son James TUNNELL. She
is said to have been the granddaughter of John GUNTER of
Sunter's Landing, North Alabama."

From another source who give the Ancestral Line of Lulu
SELF descended from John H. SELF and Leona PULCHER who
was descended from George PUSLEY a full blood Choctaw
Indian who is referred to as Captain PUSLEY. He was the
official blacksmith for MOSHULETUBBEE in the Indian Terr-
itory at Mountain Station. Before the removal of the Indians
from Alabama and Miss., three very important men were often
mentioned in the U.S. Territorial Papers as leaders of the
Choctaws; PUSHMATAHA, MOSHULETUBBEE and Peter PITCHLYNN.

Polly FILLEYCUTCHEY (PHILLECUTCHEY/FILECUTCHER/FILLE-COO-CHEE)
is said to be the sister of PUSHMATAHA but it is hard to
prove this. She was the mother of Margaret FILLECUTCHEY
(called Peggy sometimes) and is listed in the 19th article
or Supplementary Agreement of Dancing Rabbit Creek Treaty
which ended the Creek Indian War.

George PUSLEY owned a stand on the Natchez Trace and moved
to Indian territory in the late 1830's. His daughter,

NATCHITOCHE PARISH, LA NOTES (SELF FAMILY) (continued)

Phoebe, married a German named PULCHER.

This is a very interesting historical item in relation to the SELF Family, and the statement about PUSLEY being a full blooded Choctaw with Catherine SELF being the granddaughter of John GUNTER of Gunter's Landing on the Tenn. River in northern Ala. John GUNTER married Aky (Katie), daughter of a chieftain of the Cherokee Indians and he signed many of the treaties with the Indians as recorded in the U.S. Territorial Papers and other documents found in the Dept. of Interior in Washington, D.C.

The 1850 Ala. census show SELF families residing there:

QUERIES

JESNER, YESNER

I am writing to seek your assistance in relation to my study of the family of my late Great Grandmother whose maiden name was Jesner also spelt as Yesner together with other variables. I have received a copy of an entry from an American book of some type which records an entry as follows -

Yesner, Texas. Yesner in South Central Hopkins County a half mile east of Union Church, was named for Max Yesner, businessman of Sulphur Springs. A Post Office established in 1901 with C.J. Hamrick as Postmaster was discontinued in 1906.

At this stage I have no idea of where Max Yesner fits in to the picture although I am fairly sure that he would as all my investigations throughout the world indicate that the name is of the one family.

Anything that you are able to provide me about the identity of Max Yesner and/or other family members would be greatly appreciated.
