FROM THE EDITOR

I want to take this opportunity to express my appreciation to all of you who have been so gracious in giving of your time and talents to help us mail THE GENIE on time. It is a joy to see the enthusiasm shown by everyone, but it is especially thrilling to see the new members offer their help. It is very gratifying and I thank each and every one of you.

My special thanks go to those who live out of town, and even out of state, yet send their family sheets, bible records, cemetery, etc, etc. for us to publish. This really makes it OUR GENIE. Please keep those records coming. A very good friend from South Carolina is sending the 1870 census record for Bossier Parish, Louisiana. This is a very good record to publish in our quarterly. We feel this will be very beneficial to many of our members.

Mr. Rayburn Pyle felt that his family research was taking him away from the meetings too much and resigned as Trustee for 1983-84, and Joyce Bridges was elected to fill the remainder of his term of office. We will miss Mr. Pyle.

Fern is taking care of one of her sisters who underwent serious surgery and will not be able to attend the July meeting, so she will not have a President's message this issue. We wish her sister a speedy recovery.

I appreciate greatly the help I get from many quarterlies, but especially THE TREE TRACER. Every time I call them in Lawton, Oklahoma for a newspaper article or other help with genealogy they respond so graciously.

Again my special thanks to all of you.

THE GENIE JULY 1984

Indians did not have jurisdiction over white men who were involved in major crimes even though they lived in I.T. They came under the jurisdiction of the U.S. District Courts. White persons who lived in I.T.(Indian Territory) at the time came under the jurisdiction of the United States District Courts. They also had to go outside the bounds of The Territory to obtain marriage licenses.

A very interesting item appeared in MSOG (Mass. Society of Genealogists recently involving ROBERT J. TARTE founder of MSOG and a speaker at the Ark-La-Tex Genealogical Congress both years in New Orleans. He proclaimed his love for his wife publicly and rather appropriately on the billboard of Romeo's Supermarket in Ashland, Mass. In very large, black letters the message said: "Audrey after forty years I still love you the most - 1944 - 1984 Bob. Isn't that wonderful? Bob is a very knowledgeable, astute and un-common gentleman, and we learned to appreciate his wisdom, courtesy and knowledge at THE CONGRESS.

Because of the destruction of records twice in Ireland, it is sometimes very difficult to obtain records needed so desperately. Civil Registration of Non-Catholic marriages commenced in Ireland April 1845. From this date all such marriages are indexed in Dublin. Prior to 1845, a marriage may only be located by searching the Marriage registers of the various churches serving the area where your ancestor lived. In a rural area this would not be too difficult, but in Belfast the task would be quite difficult. The Irish Genealogical Service has compiled an Index relating to the various Protestant Churches in Belfast that have in their custody records prior to 1845. They will research this Index for you at a cost of \$5.00 (U.S.) . For further information contact: DAVID McELROY, Irish Genealogical Services 60 - Ivanhoe Avenue, Carryduff, Belfast, BT8 8BW, Northern Ireland. Please enclose \$1.00.

UNCLAIMED PROPERTY TO BE DISPOSED:

29 June 1983 the Federal Register, Vol. 48, No. 126, Page  
30012 published a list of the names of safe deposit boxes  
which were turned over to the Federal Comptroller of the  
Currency (OCC) Treasury Department during the late 1920's

ITEMS OF INTEREST: cont.

and 1930's. The depression forced many banks to fail. The unclaimed property consists of family papers, coins, jewelry and other personal objects that may have sentimental value. Claims from individuals are to be considered before claims from states or other organizations. Names are listed alphabetically by state, city, town of bank location. You may or may not have a claim, but we ask that you contact the State Archivist and ask him to have the State file to claim the unclaimed portion of these records so they will not be destroyed. It is to be hoped our State Archivist has some knowledge of this particular problem and can assist the people involved. Many times people keep birth certificates, bibles, and other pertinent materials in their safety boxes, and if this is true we need to save those materials.

A booklet has been published titled "GENEALOGY OF DESCENDANTS OF JOB SELF BORN ABOUT 1790" which gives some data relative to a SELF FAMILY which settled in Louisiana ca 1840. There

NATCHITOCHEs PARISH, LOUISIANA NOTES:

The SELF Family:

JOB, Spencer, Eli and Joseph are also mentioned, and it could probably be proven they are all sons of William, Sr. of Hancock County, Miss. These are not to be confused with the children of William, Jr. who were mentioned in his will dated 1846; Elijah, Eli, Elias, William Jackson, David Washington and Franklin Dawson by his first wife. He then mentions Thomas Jefferson Self his youngest child, being the only child of my present wife Elizabeth Ann. In the family meeting (Succession record of William Self, Jr. St. Helena Parish, La., Records No 163 Box S4 filed 14 April 1846) mention is made of the children of Elijah Self, Reuben B., Raleigh C., both of Washington Parish, La., and Aristides Bennett (Husband of Chirty Self) who were the nearest relatives and not heirs residing within 30 miles of this place. William Self, Jr. was born in Georgia ca 1798 and died 21 March 1846 in St. Helena Parish, La. He was married three times; (1) Jane Walker (2) Elizabeth Ann Sandifer, and (3) Frances (Fanny) Bankston.

The first 6 named sons in the will as shown above were the children of he and his second wife, Jane Walker:

1. Elijah born 9 May 1819 in Hancock County, Miss., and died 25 January 1902 in Sabine Parish, La. He married Louisa Ann Sibley 26 December 1841 in Washington Parish, Louisiana... the daughter of Robert F. and Avarilla(Albritton) Sibley. She was born 6 November 1825 and died 28 June 1900 in Sabine Parish Louisiana. They were the parents of 12 children, and they are both buried in the Many Cemetery, Sabine Parish, Louisiana.

2. Eli born ca 1823 Washington Parish, Louisiana and died 1852 in Sabine Parish, La. In 1844 he married Sarah Ann Sibley born 17 October 1825 and was the daughter of William L. and Elizabeth Watson Quilling. They were the parents of four children.

NATCHITOCHEES PARISH LOUISIANA NOTES:

The Self Family cont.

was listed in the 1840 Natchitoches Parish enumeration a  
JOAB (JOB) ? Self. According to the record, as taken from  
the booklet, Job Self married Tamer Stringfield in Bibb  
County, Alabama - date not given, but according to marriages of  
Bibb County we have marriages of two of his sons:

ALFRED SELF married ELIZABETH MARTIN 6 Feb. 1825

JAMES J. SELF married TAMAR K. BOSTON

Job and Tamar were the parents of 6 boys and 2 girls, they are  
listed as follows but may not be in their birth sequence.

NANCY married a JONES

Tamer married a LEAK

Alford married Elizabeth MARTIN in Bibb Co., Ala. 6 Feb/ 1825

Egbert married Henrietta BALL 8 Dec. 1862 Natchitoches Par. La.

James " Tamar Boston

William " Emily MOSS 24 Aug. 1842 Natchitoches Par., La.

John " Eveline CORNOGG

Albert " Sidney BRYAN

It is probably true that the SELF Family who came through  
Mississippi (Hancock Co.), into Washington County, Louisiana  
and thence to the Sabine Parish, Louisiana area were related.  
Perhaps Job and William were both the sons of William who was in  
Hancock County, Miss. in 1820 over 45 years of age.

There was a John SELF in Natchitoches Parish, Louisiana before  
1811, because he makes a deposition in a trial relative to  
the John Litton claim for 600 acres on Bayou Tortoise. He  
stated he had known Litton since 1811 when the said Litton came  
down Red River from Pecan Point where he had been on a hunting  
expedition.

The SELF Family, of which we have the most data, is that of  
William, son of William of Hancock County, Miss. He was born  
1795 - 1800 in Georgia. In early records where his name  
appears the names of Jacob, Elijah, John, Andrew, Balem,

JACKSON PARISH LOUISIANA was formed in 1845 from Claiborne, Union and Ouachita Parishes. Ouachita was one of the earliest parishes as it was created in 1807, and Claiborne was formed 1828 from Natchitoches, another original parish. Union Parish was created 1839 from Ouachita, so Jackson Parish is one having many original settlers of the state. The census records for 1850 through the present time are available. The Parish seat is Jonesboro.

Go I20 to Greenwood, go out of Greenwood 2 or 3 miles toward Waskom,  
go left on Walden Ferry Road, go 2 miles, can see old rusty fence  
around the cemetery on your right.

Marie K. Olson of Charleston, South Carolina is transcribing a portion of the 1870 Bossier Parish, Louisiana Federal Census Ward #3. It will include families 530 through 1494. We are very grateful to her for this data.

Everyone who has ever transcribed anything from microfilm knows the frustration one encounters in doing this type of research. They also realize the time spent copying in detail the data included in this late a census.

We surely appreciate Marie sending this material, as we do all who keep us supplied with materials.

Thanks.

SWANSON FAMILY BIBLE

These family data pages were obviously taken from an older bible and placed; ie interleaved, in a later bible published in 1828. These pages are in possession of Miss Mary Jane Eads, a gr-gr-gr-granddaughter of Aol. Peter Swanson whose family is listed on the pages. They are very fragile and broken in several pieces some large and some very small. The pieces were placed together and copied at the Harrison County Museum by Bill R. Randolph and Mrs. Inez Hughes in March 1984.

SHIP ARRIVALS

Ship lists contain some of the most important data for those who are trying to locate age, marital status and port of embarkation for their immigrant ancestors. There are many such extant lists for the port of New Orleans. These lists have been microfilmed and are the U.S. National Archives.

Following are lists of two ships who landed at the Port of New Orleans between 1854 and 1860.

Please note the place of residence as well as the place they intend to settle in the United States:

Most of the immigrants were from the vicinity of Minden in the Province of Westphalia (now West Germany)

TITLE: A DICTIONARY OF MOTTOES  
ORDER FROM: ROUTLEDGE & KEGAN PAUL, 9 Park St. Boston, MA 02108  
COST: \$ 12.95

All around us in the modern world lie the clues of an almost forgotten tradition, heraldic mottoes, phrases which originally accompanied a coat of arms or crest. Words and phrases we often hardly notice, containing jokes, unconscious prophecies, memorials, honours, pretensions and ideals, vivid with the richness of heraldry.

This is the most complete dictionary of mottoes ever assembled. It is designed to explain the meaning, history and ownership of mottoes, and includes the mottoes of individuals, families and nations, as well of those of corporate bodies such as episcopal sees, cities, guilds and armed forces. The reader will find a translation for each entry, and some short historical essays. The Dictionary is an essential reference work for historians, as well as for men and women hoping to unlock the secrets of their own ancestry. Hardcover, 6 x 9, indexed, 270 pages

TITLE: 1880 CENSUS OF ROCKWALL COUNTY, TEXAS with Notes  
ORDER FROM: SEARCH -N-PRINT, BOX 777, Farmerville, Texas 75031  
COST: \$14.75

This companion book to the Cemetery Inscriptions of Rockwall Co. Texas is a much needed tool for persons interested in this important Texas Co. The 1880 census of Rockwall Co is the basis of the material found in this work. Having transcribed the cemetery inscriptions found in Rockwall Co the compilers are familiar with the names found in this locality. The volume includes not only the 1880 census and mortality schedule, but also the index to Confederate Pension Applications of persons residing in Rockwall County at the time of their applications. Of the 546 households listed on the census approximately 420 are included in the notes section. The notes in this book are not meant to be a documented family history, but rather a compilation of vital records found by the compilers. Marriage records and cemetery records, not only of Rockwall Co. but of surrounding counties were searched for the reference to persons found on the census. The marriages range from the mid 1850's to the 1890's and are found in Kaufman, Rockwall, Dallas, Collin, Hopkins, Van Zandt and Hunt Counties. Burials in Rockwall, Collin, Dallas & Hunt counties are cited. In several instances, persons of the same surname who are buried near those listed on the census are mentioned, particularly when the birth date is prior to 1820 and the death date is prior to 1880

TITLE: HEART OF THE VALLEY - A History of Knoxville, Tennessee

ORDER FROM; East Tennessee Historical Society , Knoxville, Tennessee

COST: \$15.00

Knoxville, Queen City of the Mountains, Metropolis of East Tennessee, Heart of the Valley, has been the social, commercial and cultural center of a unique region of the American South since 1791. First it was a fortified outpost, capital of the Southwest Territory and later of the state of Tennessee. The city furnished the political and intellectual leadership for Unionist East Tennessee when the region struggled to remain loyal to the United States at the time of the Civil War. The contending armies made this strategic railroad center a battlefield during the sectional conflict. After the Civil War Knoxville boomed as its entrepreneurs exploited the mineral and forest resources of the surrounding mountains and its great merchants built up a large wholesale trade in Southern Appalachia. In the twentieth century the development of the Great Smokey Mountains National Park, the Tennessee Valley Authority and the atomic complex at nearby Oak Ridge, together with the phenomenal growth of the University of Tennessee, have given the city a new dimension. Always a different sort of southern city, Knoxville today is pre-occupied with environmental and energy concerns; matters of great national interest now. Hardcover 6X9, 666 pages plus index

ORDER FROM: The LISI press

Palm Harbor, Florida  
COST: \$10.50 plus \$1.50 postage & handling

From the "MEMOIRES de la Societe Genealogique Canadienne-Francaise," No. 143, Volume XXXI No. 1, 1980, page 69

By Father Gerard Lebel C. Ss.R., Nos Ancetres, Ancestral biographies of the oldest of the French-Canadian families.

The author is an expert on original documention. He has searched the archives and knows the best sources. Many of the ancestral biographies that he presents are little known, others more so. However, in this sort of research, facts often suffer in the telling and become swallowed up

by legend and folklore. Not so with Father Lebel. He sticks to the historical truth when combing his sources. Even the professional genealogists will have a great deal to learn from this welcome little book.
