The Genie is published quarterly. Each member receives four issues for each year of membership. All material published in The Genie is compiled and contributed by the members. The Genie invites exchange of periodicals with other genealogical-historical organizations publishing data of general interest. We regret that we cannot exchange with limited family organizations, but invite them to send samples of their publications for a brief review since many of these family organizations are of a great value in information on the family covered by them.

All members of the staff of The Genie are volunteers.

PRESIDENT'S PAGE

Fellow Genealogists:

As we start a new year, I hope you have a successful search of a family line you are researching at this time. Backtracking on the trails of our ancestors can be frustrating and disappointing. If we only knew the motivation for some of the moves that were made, it would certainly help us to anticipate where to look next. Some of my recent frustrations have been of my own making. My records did not list the source of my information so had to back track and waste time and effort. Why did Smiths have to marry Smiths?

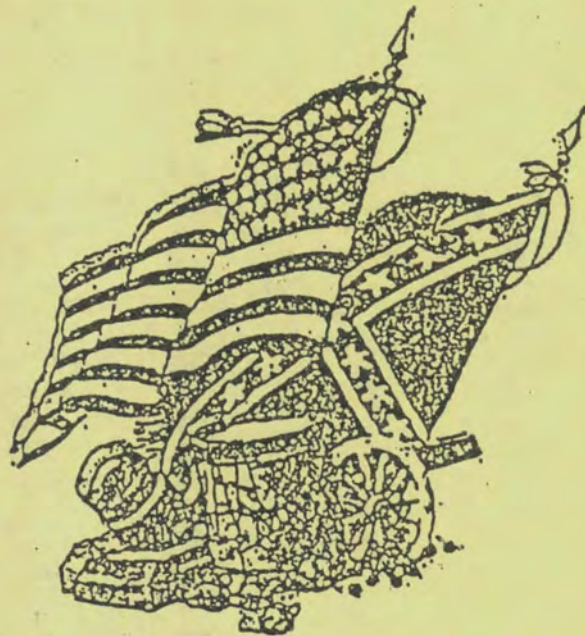

We are always looking for articles of interest to you to print in the Genie. Family histories, Bible records, cemetery listings, census records, wills, church membership lists, organizational records.

Our annual Seminar and Book Fair will be August 10 and 12, 1990 at the Sheraton Pierremont. Dr. Schweitzer is our featured speaker, so plan to visit Shreveport for that time. We will also have classes in genealogy at Shreve Memorial Library during June and July. Watch for announcements.

We have lost several of our long time members this past year. We shall miss their enthusiasm, patience and guidance. We do hope their families will cherish the work they did in genealogy and pass the information on to a descendant who will be interested and will continue the quest. While the information is there to find, the knowledge to assemble it in a logical sequence and in an interesting manner, is a talent.

## CONFEDERATE VETERANS BURIED AT SHREVEPORT

During the administration of Mrs. Everett L. Davidson as president of Shreveport Chapter No. 237, United Daughters of the Confederacy, 1969-1971, that organization published an Index To Burial Sites Confederate Veterans at Shreveport, Louisiana, an eleven page pamphlet. Credit for collecting and publishing of these records was given by Mrs. Davidson to the Chapter Historian, Miss Josephine Miller. Other members of the committee were Miss Ada Elizabeth Miller and Mrs. E. Kenneth Nelson.

In January of this year, in a conversation with the editor, Mrs. Davidson granted THE GENIE permission to reprint this information. Copy was furnished by Miss Josephine Miller, one of the early members of the Ark-La-Tex Genealogical Association. We hope that she would have been pleased with this further publication of her project.

The dates of birth and death, when available, and place of burial are shown.

It is with great sorrow and a broken heart that I write this memorandum in my Baby Book. According to God's Laws my "darling Baby HUEY" was taken from me in material World and placed in the Spiritual World, yet it is so sweet to know that although I cannot see my precious baby, I know he is with me much of the time. I thank God that I have been made to understand & know His Laws. With this great consolation it helps me very much to bear my sorrow. I know it is wrong to grieve, but I am weak & at times I get so full I can't help but give way & with a broken heart, feeling as though part of my very soul & heart have been torn away from me. No one but myself understands. "Little Darling" how I miss you & long to feel you in my arms and caress you as God only permitted me to do for only six and a half short weeks. Those were such dear hours to me Darling, I shall through God's laws & love try to stand my burdens & be brave until my time here in the material world is over, then I shall be with my Darling Spiritually & out of my sorrow.

I am writing this June 23, 1963. When I leave this material world I wish the following to be known, I want each of you to know that I love each of you with all the love a mother can have. Each of you are very dear to me and I do not wish to show any of you any partiality to any of you in any way as I love each the same. The bed rooms suits, living room suit and kitchen stove with table and chairs are to remain in the house for ARTHUR to rent out, this includes the refrigerator on back porch. The rest of the things including my desk, typewriter, china cabinet, lamps, pictures, clocks, trinkets, jewelry and clothes are to be divided. The gifts that each of you have given us should go back to the giver, such as coffee table & records player to HOWARD & like wise to the others. As to my machine, it is JUANITA's as some years ago we made an agreement to that effect. Drawing numbers might be a good idea where several might want the same article. I am sure love between each of you will be shown in the division of everything. Should there be any cloths you do not care for, please give these to the Salvation Army. I do not leave much. Wish I did, that it could be a help to each of you. I love you all so much and I hope we will all be reunited with Our Heavenly Father one of these days.

Your devoted Mother  
JUANITA CATHERINE LINDSAY

P. S. This is Dads wishes too.

May 10th, 1964-Shreveport, La.

This being another mother's day-I am so grateful to God that I have been blessed with the so many wonderful years and for the love and many sweet things my husband and children have given me. I am at this writing seventy-two years of age and God has blessed me in all things. I often thank God for the dear children he has given me and above all else he has let me see them grow to woman and manhood. Having only to give one up out of the twelve is something to really be thankful for. This day "Mother's Day" I enjoyed so much going to church with ARTHUR (one of my sons) and his wife JUANITA and their son, GARY. It makes me very happy. Each of my children are so good to me and express their love in many ways. I love each of you dearly.

My darling husband passed on March 7, 1968 at 5:00 o'clock Thursday eve., I know he is now with our Heavenly Father. He was such a sweet understanding husband and we had 56 years and two months of wonderful life together. He was so devoted to me and the children. Made many sacrifices for his family. The loneliness it has left in my heart can never be filled. I shall always cherish the many wonderful years we have spent together and be prepared to join him when I am called. This I look forward to. Was taken sick Tues. night at midnite & passed on Thurs. eve about 5:00 o'clock, March 7, 1968. He was laid to rest on Sat. the 9th of March 1968. He was 81 years old.

July 5th, 1970

To My Children:

Please remove my rings from my hands. Remove opal earbobs & can put on pearl slip on earbobs, and a string of pearls on neck, not the best. MAMIE ROSE will divide other jewelry (can let it be a drawing). I would like JACK my oldest child to divide all the old coins I have saved for all my children. ARTHUR you will please divide what ever amount of money I have left in the bank savings acct. JUANITA is my power of attorney and will draw it out for me. There will not be much to divide-but I want each of you to have your part of it, if it is only \$50.00 or \$100.00 each. You have all shown me so much love & been so sweet to Dad and I. Do wish I could have left a large amount each. I will soon be joining your dear Dad, and all the others who have gone on and are waiting for me to join them. God has been so good to me & blessed me with my large family-do hope you will each join me in my Heavenly home when God calls you there. God Bless and keep you safe until we meet again.

Your Devoted Mama  
JUANITA J. LINDSAY

I am writing this April 20, 1971

Children, I am not leaving much-but am grateful for what I am leaving. I have asked JUANITA to draw out all my savings from bank and to use what ever is needed on funeral expenses. My son ARTHUR is to equally divide the amount left, say \$50.00 or \$100.00 to each of my eleven children, what ever will be equal-have tried to leave \$100.00 each. I want JACK or TED-which ever will-to divide all coins I have collected, this could be done by drawing & make it easier. MAMIE ROSE is to divide all jewelry by drawing also. I love each of you dearly and want no partiality shown. Wish I could leave lots, but you have all my love and example I tried to set for you to live by. Do pray we will all meet in Heaven.

# THE OGDENS AND BLANKS OF UNION COUNTY, ARKANSAS

Recently published by Ark-La-Tex Genealogical Association member, Timothy D. Hudson, is a collection of articles chronicling the lives of the Ogden family, one of the earliest families to settle in Union County, Arkansas.

In the introduction to the 83 page booklet, titled "The Ogdens and Blanks of Union County, Arkansas", Mr. Hudson writes the following:

"Rev. Benjamin Ogden moved his family to this area about 1820, long before Arkansas entered the Union as a state and about the time it was made a territory. He and his family were in many ways the typical pioneer American family. They were among the very first white people to clear, farm and settle the southern Arkansas woodlands, although Benjamin was never able to obtain a title to his farmland—he was legally a "squatter", as were all early settlers to regions which had not yet been admitted to the Union. His children and grandchildren participated in fighting in the War of 1812, for Texas' independence from Mexico, and for Southern Independence during the War Between the States. The lives of Benjamin', his son Isaac, his grandson, Isaac Nathaniel, and his great-grandson, William Robert Ogden, extend through 180 years of our country's history: from the general unrest and dissatisfaction of the 1760's, which led to our American Revolution, until the middle of World War II. The last chapter is on the Blanks family that was connected to the Ogdens through marriage of Elizabeth J. Blanks and Isaac Nathaniel Ogden. Besides having numerous descendants in Union County today, this family has many throughout north Louisiana and Texas, besides others scattered all over the country."

A copy of the book has been donated to the Ark-La-Tex Genealogical Association for review and will be placed in the Genealogy Department of Shreve Memorial Library. Individuals may obtain a copy of this family history by sending a check for \$10.00 to Timothy D. Hudson, 2911-B, Silver Spur Circle, Bryan, Texas 77801.

Information from some of the pages of family records included in this publication are reprinted here.

\* According to Susan Ogden's 1844 will, Nancy and Leony were born between Martha and Susan, and this is the reason for putting their births between 1805 and 1808. The 1830 census age brackets confirm this, but Nancy's marriage record in 1843 gives her birth in about 1813. The marriage records it thought to be wrong.

\*\* There is no evidence which indicates the exact date of Temperance's birth. It is put here only because the 1830 census has a mark for a female born between 1815 and 1820 in Benjamin's household, and according to other censuses, she was not born any earlier than this.

\*Milinda's birthplace was given as Missouri in 1850 and 1860. However, in 1801, present-day Missouri was a portion of the French Colony of Louisiana, and it

became the property of the United States through the Louisiana Purchase in 1803. Missouri Territory was created in 1812, which included the present-day state of Arkansas until 1819, when Arkansas Territory was created. It is not known exactly what Milinda meant by giving "Missouri" as her birthplace.

## OVER THE EDITOR'S DESK

If you have an ancestor who was born or died at sea on a British vessel between 1864-1920, records may be obtained from: Registrar General, Custom House, Dublin, Ireland. Birth information was recorded if at least one parent was Irish. Another source for births at sea on British vessels, 1586 to present time is St. Dunstan's Parish, London, England.

Under the Freedom of Information/Privacy Act which permits release of data when an individual is deceased, records may be obtained from the Social Security Administration. A copy of the death certificate must accompany the request. Information you will receive will include names of parents, date and exact place of birth, residence, place of employment, and signature of applicant. Another request can be made for a computer printout of all places of employment, showing years. Write Social Security Administration, Box 57, Baltimore, MD 21203.

Bounty Land Warrants were given to all soldiers who served from 1812 through 1856. Nearly all Illinois land was bounty land. Widows were granted 40 acres, privates 80 acres, and on up to as much as 5,000 acres for generals. When ordering bounty land records always ask for the complete record. The National Archives is the main source of that information.

The government hopes to open the Ellis Island Family History Center during the Centennial Celebration of Ellis Island June 1992. The computer will have information on where the immigrants came from, how old they were, who traveled with them, what their destination was, and also what possessions they brought with them.

The records of every Mason in Illinois since 1840 who received a degree is available. Records contain name, birthdate, place, occupation at time of petitioning and the dates degrees were conferred. Write to: Office of Grand Secretary, Box 4147, Springfield, IL 62708. Enclose SASE.

Identity cards of 130,000 prisoners of the Auschwitz Concentration Camp which once were stored in sealed Soviet Archives have been released and turned over to the Red Cross, the news agency Tass reported. The material was found by Soviet soldiers at the end of the war and shipped to the Soviet Union. Tass said researchers gained access to the volumes about a year and a half ago under President Gorbachev's glasnost policy.

The Western History Collections at the University of Oklahoma is one of our nation's foremost research institutions documenting the history and culture of the North American Indians. The collections have vast holdings in microfilm, books, manuscripts and photographs.

To determine if your ancestor was naturalized, check the 1820, 1830, 1870

and 1900 censuses, whichever applicable, as each has a column dealing with the citizenship status of the individual. Some states also have information available.

For those researching French ancestry, The Services Culturels Francais, 972 Fifth Avenue, New York, NY 10021, can provide a brochure which includes explanation of French records, suggestions on where to begin one's search in France, a list of three private genealogists in France, names and addresses of six French-oriented genealogical societies in the U. S., and the names and addresses of 97 "Archives Departementales" in France. Send a postcard with your name and address.

Because soldiers in state militias did not serve in the Continental Line (federal service) during the Revolutionary War, their records are not held in the National Archives. They can be found, instead, in the archives of the state of enlistment. The Genealogical Society of Pennsylvania, 1300 Locust St., Philadelphia, PA 19107, has many military records for the Mid-Atlantic region, including Maryland. They are for the Revolutionary War and Civil War. Maryland militia records (copies and originals) of the Revolutionary War are held by the Maryland State Archives and the Maryland Historical Society. These are distinct from the Continental Service (Regular Army). The latter are contained in Volume 18 of the published series, Archives of Maryland. The militia records were recently published in Maryland Militia in The Revolutionary War.

You may have heard of people being called "Black Dutch". This terminology was often used to refer to Sephardic Jews who intermarried with Dutch Protestants to escape the inquisition. The Sephardic Jews lived in Spain during the Middle Ages. The "Black" refers to dark or black hair and usually darkened complexions due to their Spanish heritage. These people of Jewish origin moved through Belgium and the Netherlands, eventually becoming Catholic in religion, and then Reformed Dutch. Later some of them migrated to and settled in America.

Looking for a marriage in Virginia? A statewide mandate for registration of marriages by county began in 1853, but ceased in 1896, not to be resumed until 1918.

And speaking of Virginia, a reference to an ancestor as having been born in Virginia between 1781 and 1863, might now mean an entirely different state. That ancestor may have been born in what became today's state of Illinois between 1781-1792; Indiana, 1787-1816; Kentucky, 1775-1792; Maryland, 1775-1792; North Carolina, 1728-1803; Ohio, 1728-1803; Pennsylvania, 1752-1786; Tennessee, 1760-1803; West Virginia, 1769-1863

Since Stafford County lost many of its early will and deed books searching those records which do exist is a time consuming and often unrewarding task. These compilers have brought together in two volumes both published material, unpublished and little known lists. All the material has been copied from the original material or from microfilm copies of the original. Volume 1 contains quitrent rolls, list of tobacco tenders, and fragments of rent rolls. It also contains a summary of names extracted from Northern Neck Land Grants, Surveys, and Transfers in two lists alphabetic by landowner or resident and alphabetic by watercourse. There is also what amounts to a 1785 census, as it is a list of the people living in Stafford County with the number of persons in the household, the number of dwellings and the number of outhouses. Volume 2 contains the tax lists from 1783 through 1790 plus appendices containing various petitions and acts pertaining to Stafford County. It also contains a full name index for the two volume set which makes it very easy to use. This set is a real boon to the Stafford County searchers. Size 8½ x 5½. 612 pages.

CODE OF ETHICS

BE IT KNOWN TO ALL --

That I am a responsible genealogical record searcher - dedicated to seeking that which is true about families I research. Family traditions are to be treated only as clues until substantiated.

That I first shall seek permission for the use of the resources and acknowledge with gratitude all who assist in my searches.

That I pledge myself to use all artifacts and/or documents, whether private or public, entrusted to my use, with the greatest of care, leaving them in the assigned place, in the same condition in which I found them. If repair or restorative treatment is required, I shall report the same to those who are responsible for their safe custody.

That I shall refrain from reporting either orally or in writing, any information which might harm or prejudicially injure the reputation of any living person.

That I freely give this pledge to uphold ethical standards to assure maintenance and availability of records.
