THE GENIE is published quarterly. Each member receives four issues for each year of membership. All material published in THE GENIE is compiled and contributed by the members. THE GENIE exchanges periodicals with other genealogical-historical organizations publishing data of general interest. We regret that we cannot exchange with limited family organizations, but invite them to send samples of their publications for brief review, since many of these family organizations are of great value in information on the family covered by them.

All members of the staff of THE GENIE are volunteers:

"BEST WISHES TO EVERYONE FOR THE COMING HOLIDAY SEASON"

PRESIDENT'S MESSAGE

Dear Members and Friends:

As early registrations to our August seminar mounted through the summer, I became increasingly anxious that we would not have room for all the people who might come. By the first of August, we had 100 people registered. A rush of registrations in the last week put us up to 141 people by the day of the show. We did get everyone seated, however. We did not have to turn anyone away, thankfully. The 31st edition of Ark-La-Tex Association's Annual August Seminar was our best attended learning fest of all.

I credit the success of our seminar this year largely to one early decision the board made. Desmond Allen's reputation as a nationally known speaker attracted the most seasoned genealogists in the area. She drew upon the wide following of her column "Ancestor Hunting" in The Times, as well. On top of all this, her topics themselves excited much interest. "Creative Problem Solving" promised to show participants how to focus their attention on a single problem ancestor and to develop a research plan. "Map Resources for Genealogists" offered them wonderful new tools for research and "Research in Arkansaw" proposed the best of Desmond Allen's rich expertise in genealogical work there.

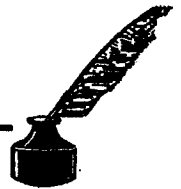

The participants were not disappointed. Desmond has such a love for her work and takes so much fun in her lectures, she makes learning enjoyable. She has really lit some fires in me, and I know that everyone who came feels the same. In educational terms, also, this was one of our best seminars, ever.

I do not mean to say that Desmond Allen was the only reason that the seminar was such a success. There are many people who contributed. Marguerite Loftin first suggested that we have Desmond Allen for the seminar and obtained her as speaker. Victor Rose worked as liason with the Ramada Inn and with the book vendors. He and his wife, Vernelle, greeted at the door of the seminar. We thank the book vendors; Joe and Carolyn Ericson from Nacogdoches, TX and John and Wanda Head from J.& W. Enterprises of Blanchard, LA. Betty Gorman did publicity for the show and helped Dale Jennings at the resale table. Jimmy and Patsy Oliphant printed the programs. Chris Oliver designed and printed the cover for the programs. Ethel Krause handled registrations, answered telephone calls for information and assembled the program. Betty Goyne assisted at the Registration Table at the Seminar and Carroll Goyne greeted guests along with Veretta and Herman Weiland. Lillian Hope, Constance Whatley, Ed and Ethel Krause assembled the programs.

Even as the board is considering what donation we may make to the library from the proceeds of the seminar, we are planning for next year. We welcome your suggestions for speakers and topics.

There have been many sustaining contributors to THE GENIE over the years. (I think of Dale Jennings and Carroll and Betty Goyne, off hand). I do think that Winona Newhouser deserves special recognition for her work on the old Town of Jewella. Winona went to the Caddo Parish Courthouse to research the origins of the Jewella Cemetery in the land records. It is a job to wrestle with those big books at any time. Winona did this at an advanced stage of pregnancy. She did this on top of her work as Hospitality Chairman and Phone Committee Chairman. Look for Winona's write-up of the Jewella Cemetery in this issue. Sincerely,

Reed Mathews

TOWN OF JEWELLA

Caddo Parish, Louisiana

By Winona Jean Clarkson Newhouser

The Post Office of Jewella was established in 1884 and named after the first postmaster, Alva W. Jewella. It was discontinued in 1904 and moved to the small town of Lorraine.

The Monkhouse, Henrichson, Sandford, Cotton and Riley families were prominent land owners in the area. Isaac E. Sandford and his wife, Jemima Martin Sandford, emigrated from England with their family about 1872. Their daughter, Eliza Elizabeth was five years old at the time. She married Hans Carl Henrichson. He came to this area from Denmark through Galveston, Texas about 1880.

Hans & Eliza were married December 28, 1886. Their children were Andrew Miller, Caroline Jemima and Christian Carl, who died as an infant. Andrew is my great-grandfather. He married Lillar Mae Riley, daughter of James Nathaniel Riley and Emma Amelia Bryant Riley. They had a daughter in 1908, Valora, who died as an infant and is buried in an unmarked grave in Jewella Cemetery. In 1915, Amelia Elizabeth, my grandmother, was born. He married 2nd Ruby Mae Riley, and in later years married Pearl LaCroix from Alexandria, Louisiana. They had two girls, Bobbie June and Mary Virginia.

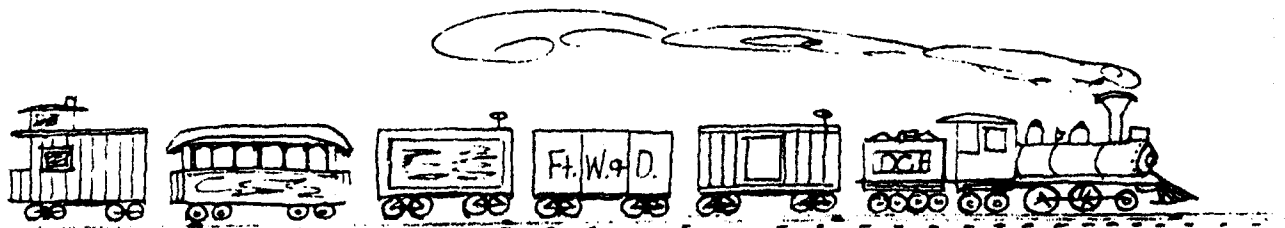

Caroline Jemima married James Andrew Smith and their children are Addie Lene (Graham), James Carl Smith, Elizabeth (Humphries), William Austin, Andrew Haywood and Isaac Edwin. The Smiths owned a grocery store in Jewella for a while.

James Nathaniel and Emma Amelia Bryant Riley had eleven children and they owned the land where the Louisiana State Fair Grounds is today. He sold this property to T. E. Schumpert, and he in turn sold it to the State. The Rileys lived on West College Street in Allendale in Shreveport, and later in Collinsburg, which is now part of Plain Dealing, Louisiana. He was a builder and built many houses in the area including his own. He was my great-great-grandfather.

The tract of land used for the Jewella Cemetery was owned by John Monkhouse and sold to Hans Carl Henrichson on 29 February 1889. (Map Hans Henrichson sold this property to The Jewella Cemetery Association on 28 Apr 1896. Part of the tract was divided into a subdivision and the front part was the cemetery. It faces Greenwood Road (then Texas Road)

The earliest internment in the cemetery was Dr. F. F. Webb on 6 Mar 1875 and Annie Holm Black in 1875.

(The railroad Town of Jewella was approximately 8 square miles in area, between Hearne Ave., and Monkhouse Dr. Texas Road (Avenue), now Greenwood Road ran NE to SW. Jewella Road intersected Texas Road (North to South). This area is now incorporated into the City of Shreveport. ED)

JEWELLA CEMETERY

Shreveport, Caddo Parish, Louisiana

On 26 Apr 1997, a group of ALTGA members copied this small cemetery. It is located on the corner of Greenwood Road and Mission Street, bordered on the West by Larue Street and on the South by the Church of Christ on Smith and Larue Streets. There is an entrance on Greenwood Road and also on Larue Street. (The map shows Greenwood Road as Texas Road-1916. It was surveyed for the Jewella Cemetery Association in 1916.) Our crew tried to copy this cemetery as it lay to keep families together and for use as genealogical material. Many thanks to the members as follows: Isabelle Woods (copied six sections), Chris Oliver, Reed Mathews (Our President), Allan Barlow, Jr., Winona Newhouser (has family in this cemetery) and Ethel Krause. TITLE: DESCENDANTS AND FOREBEARS OF JAMES KUYKENDALL BYERS AND MARY ANN BURCH, A SOUTHERN FAMILY compiled by Norma Y. Garbert.

ORDER FROM: Norma Garbert, 22009 Liggett St., Chatsworth, CA 91311.

COST: \$28.00 pp.

This is a very well written and compiled book of 11 chapters. Chapter 1 covers the BYERS and BURCH forebears with the additional names found of PINSON, COLE/COOL/KOOL, KUYKENDALL, TACK and WESTFALL. The families came from England, Ireland and the Netherlands. They settled mainly in New York, North Carolina and Virginia. The family soon scattered over many of the southern states. Chapter 2 is the basic family of James and Ary (BURCH) BYERS, and the remaining chapters each deal with one of the BYERS children and their many descendants. Just a few of the family names mentioned are ABERCROMBIE, ALLEN, ANDERAU, ARNOLD, BARNETT, BAUGH, BOUNDS, BRANAMAN, CALDWELL, CHANDLER, DAVIS, FALKNER, GARDNER, GILBERT, GUNN, HARRIS, HOLIDAY, JACKSON, JONES, KIMSEN, MARTIN, MICHAEL, MORRISON, PLEDGER, RAY, SEWELL, STANLEY, SUMMERS, TRUCKS and VANCE. Each family group within the book provides the name and the current address for the provider of that family group information. It has an excellent bibliography section. There were many families who lived in the West Texas/New Mexico area and this reviewer is acquainted with some of them, so the book has some special significance in this respect. 1989, 9 x 6, 450 pp, maps, photos, index, hardcover.

TITLE: HISTORIC NEW ORLEANS CEMETERY: LAFAYETTE #1 by Fred Hatfield and Sean M. Perry. (3 booklets)

ORDER FROM: Fred Hatfield, P. O. Box 52465, New Orleans, LA 70152.

COST: DC-1 Name Index to Tombs and Wall Vaults-\$3.00 ppd.

DC-2 Name Index plus Maps of Cemetery-\$8.00 ppd.

DC-3 Name Index plus enlarged maps with index data shown on each lot location-\$15.00 ppd.

Messrs Hatfield and Perry have produced these three booklets on the Lafayette #1 Cemetery in New Orleans and dependant upon the depth of your research you can order and search the one most appropriate. Keep in mind that the names

given in these indexes are the engraved names on the structures and other families (even unrelated) may be interred therein.

Booklet DC-1 is an alphabetical list of tomb and wall vault names with cemetery lot number and the earliest plaque inscription date found. Many of the original plaques no longer exist, so earlier dates are quite possible for the original tomb creation date and earlier interments. This booklet contains about 1400 names with lot numbers which will match the Sexton's records.

Booklet DC-2 includes the same information as DC-1, but with 4 maps of the cemetery showing approximate size of the lot and its location and number. It also includes a list of reference documents and microfilms related to the Lafayette Cemetery available at the New Orleans Public Library.

Booklet DC-3 includes the same information as DC-1, but is a larger booklet and has four maps included, which have the information from the index printed on each lot location. With this booklet you could literally take an "armchair tour" of the entire cemetery.

Microfilm of the Sexton's Workbooks are available at the New Orleans Public Library, call number LM-430. You would need these to determine the actual burials within each location. For further information you can reach Mr. Hatfield's board by computer modem at 504-897-6614.

DC-1: 1997, 8½ x 5½, 12 pp, paper.

DC-2: 1997, 8½ x 11, 12 pp, maps, paper.

DC-3: 1997, 11 x 17, 10 pp, maps, pictures, paper.

Placement: DC-1 ALTGA Library, DC-2 LSU-S Library, DC-3 Shreve Memorial Library.

TITLE: GEORG PAUSCH'S JOURNAL AND REPORTS OF THE CAMPAIGN IN AMERICA by Bruce E. Burgoyne.

ORDER FROM: Heritage Books, Inc., 1540-E Pointer Pl., Bowie, MD 20716.
Credit Cards 1-800-398-7709.

COST: \$23.50 pp order #B862.

Bruce E. Burgoyne has published several books on the "Hessian" participants in the Revolutionary War. One was reviewed in the Third Quarter 1997 GENIE. This book is a translation of Hessian Major Georg Pausch's journal and war reports. In addition to recounting military campaigns and engagements, this journal reveals the hardships of the ocean crossing and the battles in which he was engaged. He and his unit were from the Hesse-Hanau German states, so if you suspect Hessian in your background from this area, you will need to check this book. The Hessians played a major role in every significant action during the war and students of this war will want to check the book for an intensive study of what our enemies faced during this period. The book is indexed with those names appearing in the text of his journal, but there also is a list in the introduction which includes some of the personnel that were in the Hesse-Hanau Artillery Company, who are not listed in the index. 1996 5½ x 8, 148 pp., indexed, paper cover.

HEARD BROTHERS

(Submitted by Carroll Heard Goyne, Jr.)

Picture

Out Of Our Past

IN 1917, the Civil War had been over for 52 years, but there were still enough of its veterans alive and kicking—mostly in their 70s or 80s—to stage a reunion.

Pictured here are four of the five Heard brothers, originally from Union Parish, La. The Louisiana Confederate Soldiers Reunion, at which they posed for this photo, took place October 4-9, 1917, in Alexandria.

From left to right, the brothers are Joseph David, John Richard, James Pope and George Ephriam Heard. The missing brother was William C. Heard, also a Confederate veteran. The contributor, Miss Tressie Cook of Lafayette, granddaughter of John Heard, says that these men were great-grandsons of Lt. Charles C. Heard, who served under Capt. John C. Calhoun during the American Revolution; and cousins of William W. Heard, who served as governor

of Louisiana from 1900 to 1904.

An examination of the tags hanging from the brothers' lapels shows three flags at the top of each. A magnifying glass indicated that those on the left

and right are the Confederate and Louisiana state flags, respectively. But even so, the secessionist feeling was apparently dead by that time. The flag in the center is the Stars and Stripes.

ALSACE-LORRAINE

The changing boundaries of Alsace-Lorraine provide a challenge to persons researching ancestors in that area. Until the end of the Thirty Years War in 1648, Alsace-Lorraine was German Territory. Alsace then became French-as did Lorraine in 1766. When the modern state of Germany was created in 1871, Alsace-Lorraine became German once again and remained so until the end of World War I in 1919. Since that time, it has been part of France. When tracing genealogy in this area, check your time period to avoid confusion.

DUTCH RESEARCH

Recent copies provided by relatives residing in Holland on behalf of a PGS researcher brought to light some interesting data. The year 1813 had the French dominating the southern area of the Netherlands, which was also considered at the time to be part of Belgium. In researching the marriage of a set of grandparents, the records held in the regional archives of the province of Noord Brabant i Oosterwijk show them to be in French on pre-printed forms.
